

One Event Can Change Everything

One small charity – one BIG cause A rituximab clinical trial for ME

www.ukrituximabtrial.org

Myalgic Encephalomyelitis (ME) is a serious, chronic neurological disease.
A UK trial of rituximab for ME is being initiated and organised by Invest in ME and
University College London.

The charity wishes to establish a Centre of Excellence for ME in the UK.

Please support us and help us to help people with ME.

Let's Do It For ME. Let's Do Research.
